is considered to be <u>the Best 15 Product-based Capstone Projects</u> out of 433 final projects this year

Bangkit is an approved Kampus Merdeka - Study Independent program fully supported by the Ministry of Education, Culture, Research, and Technology - Republic of Indonesia. This industry-led, interdisciplinary, and immersive program is designed to produce high-caliber technical talents for world-class Indonesian technology companies and startups.

This year 3,100 students from 291 universities across Indonesia were selected from more than 63,000 registrants to join Bangkit. They learned to improve their technical skills, soft skills, and English competencies to help them get better employability in their future careers in the technology industry.

Sincerely,

bangk!t

Adrianus Yoza Aprilio
Learning Support Manager Bangkit 2022
